DO YOU WANT TO REPRESENT LANH AT THE 2012 TNI MEETING?

We are pleased to invite you to apply to attend the Forum on Laboratory Accreditation as a representative of the Laboratory Association of New Hampshire. For 2012, the conference is being held at the Hyatt Regency in Washington, DC. It will run 5 days, from Monday through Friday (August 6th to 10th).

The Forum will feature open public meetings of all TNI committees to allow quality professionals, chemists, analysts, microbiologists, engineers, and managers from federal and state agencies; commercial, municipal, state and federal laboratories; and many others who are actively involved and interested in laboratory accreditation issues to review what has been done and participate in the efforts to establish a national program for environmental laboratories.

Applicants must be members of LANH and be able to travel to Washington, DC. August 6th 2012 to August 10th 2012.

Applicants should possess a proficient skill level in all areas of laboratory analysis including: microbiology, metals, wet chemistry, and organics. The chosen applicant will gather information and conduct a presentation at the next LANH Meeting on their experience.

The chosen applicant will be provided with airfare and hotel accommodations for the duration of the conference as well as the conference registration fee. Ground transportation, meals and registration fees for voluntary training courses will not be paid for by LANH.

LANH understands that this is both a benefit and a burden to the organization from which the applicant is chosen. Please consult with your superiors prior to applying.

If you have any questions regarding the application process please contact:
Rebecca Labranche at (207) 784-5354

All applications will be reviewed by the LANH Executive Board and a ballot vote will be held at the June 20th meeting to select from the most qualified applicants.
